The directions to be observed by Examiners and students are as follows:

1. The numbers 1, 2, etc., indicate the division of work among the Examiners.

2. Examiners and students must be prepared on every subject within its own period. The student, when fully ready, not before, will notify the Examiner, who shall have his questions (not fewer than 10 nor more than 25) written out beforehand.

3. The answers should be written by the student in the presence of the Examiner alone, who should afford no help himself, nor allow any to be derived from any other source whatever, whether of person or of printed or written matter.

4. When impossible for the Examiner to be with the student, he may send the questions, under seal, to a third person, *preferably a member of the Conference*, or any one whom he may approve, not of the student's family, nor an undergraduate, and never to the student himself. He should direct, by postal card, two or three days beforehand, by way of precaution, and again on the back of the envelope containing the questions, that the envelope is not to be opened, nor allowed out of the possession of the third person, till the student is ready to answer the

questions. Inclosed with the questions should be a certificate to be signed by the third person when the student has completed his work, showing that no help whatever was afforded the student. Any substantial departure from these directions should vitiate the examination.

5. As soon as the papers are received and graded by the Examiner, he will notify both the student and E. L. Shepard, Registrar of the Board, the result. The minimum grade for passing shall be 70.

6. On the back of every written sermon or essay there should be a statement, signed by the person presenting it, that the conception, composition, and handwriting are his own work.

7. The grading on sermons or essays will hereafter be on the same scale (from 0 to 100) as on books to be studied, with 70 as the minimum grade for passing, in the books to be read the student shall certify to the Examiner that he has read the books.

8. Candidates for local orders, when it is impracticable for them to be examined previously, will be examined on the day before Conference convenes, beginning at 9 o'clock.

REPORTS OF COMMITTEES.

AMERICAN BIBLE SOCIETY.

We note with pleasure the great work accomplished by the American Bible Society in the distribution of the Holy Scriptures in all parts of the world. We call especial attention to the fact that the people and Churches by their gifts have secured the \$500,000 offered by Mrs. Russell Sage on the condition that a like sum should be raised by the Society, and that has been accomplished and the \$1,000,000 endowment secured. We also recommend that the pastors shall present this Bible Society collection in all of their congregations.

H. D. HITCHCOCK, *Secretary*.

AUDITOR'S REPORT.

The accounts of the District Superintendents have been examined and found to be correct.

J. F. HOPKINS.

BOOK CONCERN ACCOUNTS.

Your Committee on Book Concern Accounts begs leave to submit the following:

That the preachers of the Kentucky Conference are interested in all the best methods of educational work of the Church. We therefore have a large interest in the Book Concern, and as ministers of this Conference we should give liberal patronage toward its advancement by the purchase of its publications, when possible, in preference to all others.

We as agents should seek to interest our people in the publications of the Church, and hope our ministers will show their interest and appreciation by adopting the easiest and most practicable method possible in the payment of their accounts.

BOOKS AND PERIODICALS.

It is a matter of congratulation that our great publishing houses have been able to declare a dividend of \$170,000 this year for the benefit of our superannuated preachers.

The limitless variety, and superior quality, and low price of both books and periodicals place them within the reach of all our pastors and people.

The high quality of our Sunday school publications has secured the highest indorsement of the International Sunday School Association. And our Teachers' Normal Course is regarded a standard.

We recommend that pastors use wisely the catalogue of the Book Concern, and wherever possible turn the orders for holiday books in to the Publishing House. We urge in the same connection that our Publishing Agents give especial attention to prices upon tasty art volumes, holiday cards, etc., in order to meet all competition in price and thus secure this vast trade, and by this means advertise the financial advantage of loyalty to our own interests.

We plead for untiring zeal upon the part of pastors in the circulation of the *Western Christian Advocate* and the *Epworth Herald*, in order that we may have an intelligent Methodist laity.

We also compliment the Western Methodist Book Concern for its splendid display at this session of our Conference, and express our appreciation of the many courtesies of Mr. John Venn in charge.

CHRIST'S HOSPITAL AND ELIZABETH GAMBLE DEACONESS HOME.

We desire to report, that on November 26, 1909, by your order, your Committee visited Christ's Hospital and Elizabeth Gamble Deaconess Home. Under the courteous direction of the management of the Home, Training School, and Hospital we inspected every department of each institution.

We were moved with a sense of gratitude to God who has put into the hands of the Church this marvelous equipment in splendid buildings.

We found at the Home and Training School every detail of this equipment in perfect order for the accomplishment of the ends to which they are directed. A delightful Home for the self-sacrificing Sisterhood whose lives are devoted to the gentler ministries of the Church.

We found the Training School working out the problems of this gentler ministry in a most practical way, so that each Deaconess goes to her work, not a novice but a veteran with experience.

At the Hospital everything was so attractive as to be inspiring.

We endorse without qualification the policy of the Association, and commend the management heartily, urging that these institutions be fostered by every possible encouragement and every reasonable co-operation. Most sincerely, Your Committee.

JNO. I. WEAN, *Chairman*.

CONFERENCE CLAIMANTS.

RESOLUTIONS. *First.* We rejoice in the work of the Board of Conference Claimants. It has persistently and carefully urged on pastors and people the duty of caring for Conference Claimants with the result that there was an increase in 1910 of over \$85,000 in the amounts paid by the Annual Conferences to their own claimants, and the Board is now distributing \$19,000 to the needy Conferences and to special or necessitous cases this year.

Second. We urge the observance of a "Veterans' Sunday" at some time during the year in the interest of the claimants, and the use of the most excellent program provided by the Board; and request that on that day the pastors urge not only the duty of local support of their own Conference Claimants, but also the interests of the Connectional Fund of the Board of Conference Claimants, which ministers to the needs of

Superannuates everywhere, especially in the more needy Conferences; and take up a collection equal to at least the apportionment of one per cent of the pastor's salary.

Third. We recommend that the Treasurer of the Conference be authorized to receive the dividend from the Board of Conference Claimants and to remit to the Board the Conference percentages.

Fourth. We recommend the appointment of an "Annual Conference Board of Connectional Relief," to consist of one layman and one preacher from each district, who shall advise with the Board of Conference Claimants and assist in the benevolent and connectional work in behalf of the Superannuates.

Fifth. We commend the program for 1910-11, as promulgated by the Board of Conference Claimants, to the favorable consideration of our Conferences and Churches, and to the generosity of our laymen. The keynote sounded by the Board is,

"A MILLION FOR SUPERANNUATES IN 1910-11."

Such a program involves an advance along all the lines of the Church's activities in behalf of the Old Preachers, so as to reach the following standard, in round numbers:

Support of Claimants in Annual Conferences as provided by the	
Stewards	\$550,000
Benevolent Collection for the Connectional Fund.....	100,000
Endowments:	

For the permanent Fund of the Board of Conference Claimants,	
Annual Conference Funds and Preachers' Aid Societies.....	250,000
Book Concern and Chartered Fund Dividend (ordered).....	173,000

The wisdom of this program is manifest in that it correlates all the forces and provides an alliance between the Annual Conferences and the connectional interests. The Board offers its services to those Annual Conferences which are at work on their own Preachers' Aid Society funds; so that all Conferences may be free to join in the next great movement for which the whole Church waits, and for which the present program is a magnificent preparation, viz., A MILLION DOLLARS FOR THE PERMANENT FUND.

DISTRICT CONFERENCE REPORT.

We, your Committee on District Conference Records, beg to report we have examined the record of the Lexington District and find it correct. Record of Louisville District not in our hands. Its correctness is vouched for by Rev. F. L. Creech, District Superintendent of the District. Ashland and Covington have had no District Conference.

EPWORTH LEAGUE.

The following notable achievements within the past year justify the heartiest commendation:

I. The official report of 19,254 Chapters (13,427 Senior and 6,127 Junior), and 808,958 members, with thirty-six Conferences and Missions (19 home and 17 foreign) unreported.

2. A state of organization that shows the number of Senior Chapters in excess of the number of regular pastors on eleven of the thirteen white English-speaking General Conference Districts of the United States.

3. A healthy growth indicated by the issuing of 778 charters (489 Senior and 289 Junior) last year.

4. The entire self-support of the League after many years of dependent existence.

5. The forward movement of the League at home for the support and improvement of the work for young people in our mission fields, which has already given Assistant General Secretaries to Mexico and India, with resources of over \$6,000 for the first year of this work.

6. The liberal support of the general work of the Church after caring for its own work, represented by gifts to foreign work of about \$60,000 besides what is given in the regular way, amounting in at least one Conference to an average of one dollar a member, and large amounts given in aid of every other official enterprise.

The Epworth League still offers the pastor his most direct and extensive contact with the young people and an unsurpassed opportunity to influence them toward godliness. The chief responsibility for its success lies with our pastors and we urge them to give it more attention. We urge our pastors in country as well as city to give the League a fair opportunity.

EDUCATION.

We rejoice to note the upward and triumphant trend of public education in the State and Nation. We bid Godspeed to the systematic work more completely formulated and made effective by our fellow-Churchman, the Hon. J. G. Crabbe. We note with pride the elegant buildings and grounds that are becoming more numerous in all our centers of population, and pledge the encouragement and help of our loyalty and support in every commendable effort to enlarge the revenues, resources, and appliances of a generous education.

Regretting the restraint of the Bible and of religious exercises in our schools, we avow our belief that pupils can not be made competent and honorable citizens without stated frequent training in morals, reverence, and patriotism that acknowledges the immanent contact of a Divine Providence.

We confess with confusion of face that a large per cent of our populace are virtually illiterate, and mention the fact not for censure but that our ministers may recognize both that here is a field white unto the harvest and that men with a mere modicum of intellectual and scholastic training can not reach such a constituency. We are proud that the grand leaders of our denomination, foreseeing the demand, have secured in strategic centers institutions whose business it is to train agents to instruct, enlighten and evangelize.

We do not believe that mere intellectual drill can meet the imperative needs of those who are to teach or labor in the various callings of life. It is indispensably necessary that body, hand, mind, eye, soul, ear be really schooled. Secular schools can only cultivate a portion of this tillage.

We honor our Board of Education for its liberality and far-reaching purpose. We endorse and will support heartily our institutions at Barbourville and Paintsville and our theological schools. We espouse the

motto: "At least one pupil from every pastoral charge," and pledge a more hearty and united support to what are more especially our colleges and seminaries.

FREEDMEN'S AID SOCIETY.

Your Committee on Freedmen's Aid most respectfully reports:

1. The last annual report of this Society shows that our colored people in the South are crowding our twenty-three schools and colleges to such an extent that increased buildings and equipment are sorely needed by our institutions. The number of colored young people anxious for industrial and professional training is vastly greater than our accommodations can supply. These people are rapidly realizing that the training of the hand and the head constitute the principal means of uplift in this age, and are making every sacrifice that such training shall be attained. Our schools constitute the only means by which Christian ministers, teachers, doctors, and other leaders shall be prepared for the 350,000 colored members in our own Church, and to a large extent for the ten millions of black people in the United States. They gave for their own schools last year \$28,830.32. One of their Conferences, the South Carolina, gave \$6,225.26 of this amount.

2. For the moral and religious training of the colored people our schools are indispensable. The Christian teacher is more than a mere instructor in trades and industries. He is the director and example of the moral and religious life of the young people. No young man or woman can be in one of our schools for any length of time without receiving more or less of the great Christian impress necessary to the development of moral manhood and womanhood. In order to do our share towards the moral and spiritual uplift of this race, we must give them the Christian teacher.

3. The place of the Christian physician is most important in the uplift of a race. Our two schools, Meharry Medical College at Nashville, Tenn., and Flint Medical College at New Orleans, La., are doing heroic work in supplying this need. They must have greater facilities in order to meet the growing demands of modern medical training. Special help is needed for a hospital at each of these schools. Here is a rare opportunity for one or more generous givers to erect a monument and make possible the better training of the men and women who minister to the sick and suffering. Fifty thousand dollars are needed at once for a hospital at each one of these schools.

4. The Board asks the whole Church for \$250,000, or one-fifth of the apportionment for Home Missions and Church Extension. Of this amount the Kentucky Conference is apportioned \$900. We hereby pledge ourselves to present this cause at least once during the year to our congregations, and give our people an opportunity to contribute towards this most needful work. Lincoln Sunday has come to be one of the institutions of the Church. It offers the best opportunity during the year for presenting the cause of the freedmen to our congregations. If it be inconvenient to do so at any other time during the year we can at least present the cause on this Sunday and take the offering. The amount of our collection for the Freedmen's Aid cause this year is \$190. This is a decrease of \$10 from last year.

Most respectfully submitted,

L. R. GODBEY, *Secretary*.

J. D. WALSH, *Chairman*.

FOREIGN MISSIONS.

The growth of missionary enthusiasm during the past year is unparalleled in the world's history. The prayer of the Church is that God may send laborers into the vineyard.

Many of our young men and women are anxiously waiting to be sent, but the Church can not send them for lack of funds.

The greatest need of Foreign Missions to-day is not men but money, and if our people understood more clearly they would give more freely. We heartily commend the Laymen's Missionary Movement and pledge them our co-operation and support, believing that united efforts of ministers and laymen will hasten to answer the Macedonian call, "Come over and help us."

We commend the Woman's Foreign Missionary Society in securing the services of Miss Anna Gallimore, for years a missionary in India, who has been speaking and giving stereopticon lectures in our churches, thereby stimulating the missionary zeal in our Conference.

We congratulate ourselves upon the coming of Bishop Bashford into our midst and pray that this event may inspire us to do great things for God, and we pledge to him our support in his great conquest of China.

HOME MISSIONS AND CHURCH EXTENSION.

The Home Mission and Church Extension ideal is the very foundation stone upon which all successful Church enterprises must be founded if the Church expects to successfully accomplish the evangelization of the world.

A sympathetic, intellectual, financial, and practical enthusiasm is sweeping over this land in behalf of missions. That which was once foreign is now home. We have foreign elements on our shores and within our borders, and unto them is the Word of God sent. Not only must our strategic points be guarded, but the weak places must be held and sustained.

This Board has assisted in the building of our Methodist Episcopal churches, and is helping to support more than four thousand home missionaries in the United States.

We commend the action of this Conference in its request to the Parent Board that four thousand dollars be granted for our work this year. Therefore, be it

Resolved, That we increase the efforts tending to strengthen this vital interest of the Church and pledge ourselves to use our greatest energies to strengthen the power of the Home Missionary and Church Extension Society.

We commend to our pastors and people the books, periodicals, and tracts which the Board is getting out, and especially the *Christian Republic*.

We urge all our pastors to take the collection and to circulate the literature of the Board.

The Churches receiving Home Mission aid, thus encouraged and strengthened, should with renewed zeal make an effort to become self-supporting as speedily as possible in order that the means may be applied to other places.

LAYMEN'S ASSOCIATION.

(Taken from their Minutes.)

The Layman's Association of the Kentucky Conference met in the Christian Church, Paintsville, Ky., September 9, 1910. There were about fifty members present. Devotional services were conducted by Harold Means. John A. Johnson, their president, took the chair, and appointed a number of committees. All the officers were present and made reports. At eleven o'clock they came in a body to the Annual Conference and were cordially received. Their president made an address, which was responded to by Bishop Warren. At their meeting in the afternoon addresses were made by John A. Johnson, C. B. Nordeman, and W. P. Bowman. They elected the following officers for the ensuing year: President, J. A. Johnson; Vice-Presidents, Harold Means, John Venn, A. M. Decker, and A. S. Bennett; Secretary, J. H. Richardson; Treasurer, J. P. Shaw. A number of resolutions favoring our periodicals, District Associations, a program for next session, and better support for pastors was adopted. A collection was taken and \$252 was subscribed.

SUPERANNUATES.

The Superannuates of the Conference respectfully submit the following for the consideration of our brethren:

First. We are glad to know that there are fewer blanks in the pastors' reports as to receipts for Conference Claimants in the year 1909 than in any former year.

Second. That there is a great revival of interest in the Church generally following the wise action of our last General Conference, which is already showing fruit, in an increase of the funds of each Conference for the benefit of the veterans and families.

Third. Our Conference needs a well-trained, able, experienced, and skillful pastorate, not novices, not untried, not unwise, but men of understanding of the times to know what Israel ought to do.

Fourth. That we commend the method suggested in Brother Creech's report, that if a district can not be fully manned by members and probationers of the Conference, and local preachers *must* supply the vacancies, have each supply put under the supervision of a competent and contiguous pastor.

Fifth. We believe that we should not be considered impertinent when we assert that the time has come when Conference Claimants should be more emphatic in their demands for a comfortable support than has formerly characterized their deportment toward the Church.

Finally. We as the Superannuate Association of this Conference wish to remind our brethren that we are not expecting to be much benefited by our efforts, for our time is limited, but we do hope that you, your wives and children shall be helped to a more comfortable evening of life by the efforts we put forth.

H. J. RAMEY, *Secretary.*

S. F. KELLEY, *President.*

RESOLUTIONS.

Resolved. First. That we have greatly enjoyed the presidency of Bishop Warren for the third time over the deliberations of our Conference. He has conducted the business of the Conference with consummate skill and patience, and has won our highest esteem and love.

Second. We appreciate the overflowing kindness and hospitality of the Christian families in Paintsville, by whom we have been so well cared for and so splendidly entertained.

Third. We extend hearty thanks to the officers of the Methodist Episcopal Church, South, and the Christian Church for the free use of their buildings and the fraternal spirit they have manifested in many ways.

Fourth. We thank the officers and committees of the Conference for their faithful and excellent service in the clerical and statistical work of the session.

Fifth. We extend to Dr. Thomas Hanford our sincere sympathy in the death of his estimable wife. May the Master be very close to our beloved brother and his two precious daughters. We also assure our esteemed fellow-worker that his enforced absence from our midst at this session by reason of a disabling accident has been deeply regretted.

Sixth. We thank the organist and choir for the choice music and song given us at the several anniversaries held in the Southern Methodist Church, and also the charming soloist for her beautiful rendering of "The Man of Galilee."

Seventh. We have benefited by the morning lectures of our brethren, and heartily approve this new departure as an aid to the devotional hour.

Eighth. We have been helped and inspired to nobler things by the presence and addresses of the men who represent the great and fundamental interests of our Methodism. God be with them in their wide itinerary.

Ninth. While regretting the going away of our beloved Bishop Warren, we hail with pleasure the coming of Bishop Bashford, and would rejoice at any time in the future to have him as our presiding officer for a whole session.

Tenth. We extend our sincere sympathy to our beloved Brothers Overly, Wardrip, and Grizzle and their families in their affliction, and assure them of our love and a present interest in our prayers.

We have been adversely conscious of a positive loss in the absence of Dr. Robert T. Miller from this session of our Conference. His presence among us is equivalent to a benediction, and his counsel and aid are invaluable. We therefore earnestly desire that our esteemed brother and friend should know of our deep regret at his unavoidable absence, and of our appreciation and gratitude for multiplied benefactions and acts of helpfulness and service, and we assure him that in our love and prayers he occupies a chief and commanding place.

Recognizing the fact that our cause in Pineville will be imperiled if we do not receive very soon the \$500 donation recommended by our Conference Board of Church Extension, we, the Kentucky Conference, urge that the said amount be paid at once.

T. B. STRATTON, *District Superintendent.*

LAYMEN'S ASSOCIATION.

Resolved, That we hereby express to the Laymen's Association our sincerest thanks for their sympathy and assistance; that we congratulate them upon their splendid organization and progress made in their work.

We pledge them our co-operation in all their plans looking to the improvement of the Kentucky Conference and spread of the Gospel.

RESOLUTIONS ADOPTED BY SWEDEN CONFERENCE.

As servants of Him whose coming to this world was hailed by angels singing, "On earth peace," and as we find that our proper place is in their ranks who strive toward such disarmament, that "every battle of the warrior" shall be ceased forever, we propose:

Resolved, That we acknowledge and sympathize with the movement that endeavors to have all international conflicts and differences settled by arbitration.

Resolved, That we earnestly disapprove and deplore that so enormous sums are required and paid every year for the armies and navies in the world.

Resolved, That we request parents and educators in general so to teach the young that they may get a true comprehension of this matter and be convinced how abominable it is to shed the blood of men.

Resolved, That we express our satisfaction with and praise for what our countryman, Mr. Alfred Nobel, now deceased, did by his donation in the interest of universal peace.

Resolved, That we also express our delight in and our loud praise of the noble generosity of Mr. Andrew Carnegie, by which it has been possible to erect a worthy palace for The Hague tribunal.

Resolved, That we adopt the proposal of the Peace and Arbitration Society of Sweden, that the first Sunday after Christmas be set apart as Peace Sunday in our Churches.

STATE OF THE CHURCH.

We recognize the necessity of the Methodist Episcopal Church in our State. We have listened with enthusiasm to the reports of so many conversions and accessions, and the building of so many houses of worship this year. We deprecate what is known in some parts of our work as *Comeoutism*, and urge our district superintendents and pastors to use all laudable diligence to drive away all strange and erroneous doctrines as our Discipline directs, and that our churches shall not be used by people who are not in harmony with our doctrines and Discipline. We believe the time has come when there should be more care taken in the distribution of missionary funds in this Conference. Instead of having little circuits, none of which are self-supporting, there should be blending of the stronger places, and as far as possible Conference men employed to look over them. We hail with delight the organization of the Laymen's Association. We believe it is demanded, in order that our people shall know more of our Church, that the *Western Christian Advocate* and other Church papers be circulated among us.

SUNDAY SCHOOLS.

The Sunday school is the hope of the Church. From her ranks we gather the largest part of our membership, at least eighty per cent. From the year 1845 to 1909 pastors report 4,712,225 conversions in the Sunday schools, an average of 73,600 per year. In 1909 the statistics report 154,346 conversions in the Sunday school.

Financially the Sunday-school has been very helpful in all the various enterprises of the Church.

The Board of Sunday Schools of our Church is making strenuous efforts to increase the number of schools and, therefore, those attending. They now have twenty-six missionaries in the different fields.

We recommend in accordance with their request that we organize a Conference Board of Sunday Schools, to consist of an equal number of laymen and ministers from each district, the same to be auxiliary to the General Conference Board of Sunday Schools. Also that our fellow ministers urge the organizing of classes in Sunday schools. Also the Teachers' Training Class, using our Course of Study approved by the Board of Sunday Schools.

A Sunday School Missionary organization. A Sunday School Temperance organization. A Committee on Sunday School Evangelism, with the observance of Decision Day or its equivalent.

The observance of Sunday School Day, with an offering for the Board of Sunday Schools, as authorized by the General Conference.

That we ministers and laymen bend every energy to the advancement of the Sunday school, until all the children of the land shall be enrolled and God glorified in the salvation of the human family.

TEMPERANCE.

Believing that the liquor traffic is the fostering and spawning mother of every evil in our civilization; that it is the thing that is everywhere making municipal politics "a hissing and a by-word," and that it has made more bad fathers, wayward mothers, profligate sons, and wayward daughters than the sum total of all other vices; therefore against the liquor traffic the Church of our Lord must wage relentless war or fail in the work of redeeming and saving the race. Recognizing in the Anti-Saloon League (federated Church in action against the traffic) the common rallying ground for all antagonism of the traffic, we recommend that our Churches give the Anti-Saloon League preachers one Sunday service in the year to advocate our common cause and obtain subscriptions for its support. We recommend also that one-half of the collections taken in our Sunday schools on Temperance Sunday be turned over to the League.

We further recommend as an immediate measure the League to secure the passage at the next Legislature of the County Unit Bill, and that we support only such candidates as will stand pledged to this legislation.

That we also recommend the enactment of the amendment to the Interstate Commerce Law, now before Congress, prohibiting the importation of liquor into dry territory and insist so far as we can upon our National Senators and Representatives to support this amendment.

Memoirs.

MRS. R. G. GARDINER.

Mrs. R. G. Gardiner fell asleep January the 30th at five minutes after 2 P. M. She was ninety-three years of age.

Mrs. Gardiner and her beloved husband came to Hardinsburg sixty years ago. They conducted a boarding school until after the close of the Civil War. For three weeks Mrs. Gardiner had been very ill and her suffering had been intense. Expressions of deepest faith would be uttered even when the pain was almost unendurable. Her son, Dr. T. W. Gardiner, superintendent of the Western Lunatic Asylum, was with her at the time of her death; also her son, Mr. R. G. Gardiner, of this place. Dr. Charles Gardiner, of Grand Tower, Ill., came to the funeral. Dr. William Gardiner, Colorado Springs, Col., was unable to attend.

A very strong character has passed from our midst. Mrs. Gardiner's most active interest was the work of the Woman's Home Missionary Society, of which she was president for thirty years. She was a cripple for eight years, and devoted most of her time to reading. Her mind was very active, and her conversation characterized by broad charity, sweetness of spirit, as well as extensive reading. Her sons may well call her blessed as they consider her life of good works.

ISAIAH CLINE.

MRS. MARTHA W. HANFORD.

Martha Windiate, wife of Thos. Hanford, D. D., was born at Long Sutton, Hampshire, England, September 14, 1828. Her parents were an excellent, well-to-do people. Her religious training was good, being under the instruction of the Church of England and the Congregationalist Church. She had, up to her "passing over," the Bible given her for promptness and perfection in Sunday school work. Thus was

she raised up in the Church. She experienced a change of heart under the preaching of the Rev. Thos. Hanford, who later became her husband. They were married in the Isle of Wight, in St. Thomas's Church, at Ryde.

In 1871 she, with her husband, came to America, where for thirty-nine years the faithful helper and comforting companion has labored alongside her husband in the following named places: Cincinnati, O.; Covington, Sardis, Maysville, Catlettsburg, Ashland, Augusta, and Louisa, Ky. She loved the work to which she and her husband were called, and not only prided herself in filling well her place as a minister's wife, but in making her home a resting-place, a real home, to all of God's ministering servants. For eight years she had been a great sufferer, but between the moments clouded with suffering her beautiful soul would emit the radiance of a cultured, joyful, consecrated life.

Two children survive—Mrs. E. C. Goddard, of Cincinnati, and Miss Alice Maude Hanford, who is with her father. Mrs. Hanford died Wednesday morning, August 10th, at 2 o'clock. The funeral was conducted in the presence of a large company of friends by District Superintendent J. M. Ackman, and Rev. Cyrus Riffe, and Rev. Reed, of the Methodist Episcopal Church, South. She was laid to rest in the beautiful Evergreen Cemetery at Louisa, overlooking the city and the beautiful West Virginia hills, awaiting the call of Him who said, "I am the Resurrection and the Life."

Roll of Our Honored Dead.

“Blessed are the dead which die in the Lord from henceforth: Ye, saith the Spirit, that they may rest from their labors; and their work do follow them.”—Rev. xiv, 13.

The first Conference in Kentucky was held in 1790; but the work in Kentucky was not set apart as the Kentucky Conference till 1821. Meanwhile, death was claiming its own among the preachers. Henry Birchett died in 1794; Francis Acuff, in 1795; Lewis Hunt, in 1801; Learner Blackman, in 1815. The roll since that time is, approximately, as follows:
